COMMENT

Easier to be Critical Than Correct

It is indeed a sad commentary on local affairs when town offices, go many times to incumbents, who seek re-election, practically by default. Eleven months of the year you hear comments about the town spending too much money, the roads need plowing, streets are too narrow to permit adequate and safe parking, not enough sidewalks, and the BIG issue about the school costing too much.

Each year in Bethel there is at least one selectman and assessor's post up for grabs, and, at the least, two positions on the SAD 44 Board of Directors. It would seem that many would protest real or fictional intrusions upon their Constitutional rights while ignoring one of the most basic of those rights, that of holding public office and voting.

By placing themselves in a position of perpetual hindsight; of "Why didn't you do this" instead of "Why don't we do this"; many would seem to be derelict in their civic responsibilities. Unquestioned as is the right to dissent and to criticize, the no-sayers should have suitable alternate plans of achieving desired results.

"Only those have the right to criticize who have the heart to help..."

COMMENTS FROM THE TOWN MANAGER'S OFFICE

There have been several comments on the issuing of parking tickets along the restricted area of Church St. This has been reviewed by the Board of Selectmen and they feel, considering the problems there have been in the past providing for the flow of traffic through the area, the 1 hour parking effective 24 hours a day is the best solution. Whenever possible a Police Officer will be on the street to assist people in finding a place to park legally when there is a function that will attract a number of cars.

There will be no exceptions to the 1 hour time limit until such time as the signs are officially removed or a change is made by the selectmen in the regulations.

The town office will be open Saturday, Feb. 24 from 9 to 12 a. m. as it is the last Saturday of the month. Car registration must be obtained prior to March 1. The regular office hours are 8 a. m. to 5 p. m. on Monday, Tuesday, Wednesday and Thursday. Fridays it is open from 8 a. m. to 6 p. m.

SUNDAY AFTERNOON FIRE DESTROYS NEWRY HOME

Fire of undetermined origin destroyed the home of Mr. and Mrs. John Wight and their four children in Newry late Sunday afternoon.

George Wight, Mr. Wight's father passed by the house about five o'clock and saw no signs of the fire. About 20 minutes later, Roy Bennett, Newry road commissioner, came along and noticed the flames. Mr. Bennett moved Wight's pickup truck and stopped a passing motorist who went to the home of Mr. Wight's grandparents and called the fire department. Bethel fire department responded to the call but were unable to save the home.

Mr. and Mrs. Wight and their children, who had been visiting friends in Jefferson, N. H., arrived home shortly after the fire was discovered. The fire gained such headway that they were unable to enter the building. Nothing was saved except the car which they were using at the time, the pickup truck and a few clothes on the line. The family's pet dog perished in the blaze.

No estimate of the loss was given. It is understood that the building was partially covered by insurance. Mr. and Mrs. Wight, and their four children, ranging in age from ten to six years, are making their home with his grandparents, Mr. and Mrs. Fred W. Wight, for the present. Mr. Wight had made extensive repairs to his home this past summer, and had planned to do further work in the spring.

'NAIMEY BLOCK' CHANGES HANDS IN LOCAL PROPERTY TRANSACTION

It was learned Wednesday night that the building on Bethel's Main Street known locally as the Naimey Block has been purchased by John T. Grover, Mr. Grover, proprietor of the Bethel Spa for over a year, obtained control of the property from Norman Greig, local dealer in real estate. Mr. Grover stated that he has no definite changes in mind at this time for the property.

Besides the Spa, the building at the moment houses the Bethel Post Office, the dental offices of John W. Trinward, D. M. D., as well as two apartments on the second floor.

Previous owners of the property have included Mitchell Naimey, who constructed the building in the early 1920s, and Harold Chamberlin, as well as Mr. Greig.

STATE HEALTH DEPT. WARNS OF RABID FOXES

Recently, two dogs which had not been vaccinated against rabies were bitten by foxes in Oxford and Somerset Counties. The foxes involved were found to have rabies through testing in the State Health Department Laboratories.

One of these dogs had to be destroyed and the other had to be confined by a veterinarian for a period of six months at the owner's expense for observation.

These measures were necessary because of the regulation involving rabies in animals of this Department, and in turn, these regulations are absolutely necessary and unavoidable because of the fact that rabies once established in a human not adequately vaccinated, is universally fatal, and because the incubation period of rabies in an animal can be as long as six months.

The Department regulations specify that, if a dog is not adequately vaccinated, and if he is bitten by a rabid animal, he must be either destroyed or confined by a veterinarian for a period of six months for observation. If the animal was vaccinated before the bite, however, a 30 day period of observation by a veterinarian is adequate and destruction is unnecessary.

Adequate rabies vaccination of all pets, therefore, serves a dual purpose. First and most important it affords a pet's owner assurance that if his animal is exposed to rabies, the owner and his family are protected from this dangerous illness. Second, it assures the pet's owner that destruction or expensive confinement of his animal will not be necessary in the case of exposure.

Because of the fact that a high percentage of the foxes tested in the State Laboratory are found to be positive for rabies, the department must consider that any animal that is bitten by a fox has been exposed to rabies and must either be destroyed or confined by a veterinarian for six months unless the fox is tested in Augusta and found to be negative for rabies.

This Department would like to issue again the strongest possible recommendation that all pet owners have their animals vaccinated against rabies at yearly intervals by their veterinarian and that the pet's owner keep a careful record of the vaccination for his own protection and the protection of his pet.

SFC. YORK AWARDED BRONZE STAR FOR VIET NAM ACTION

Sfc. Raymond J. York, a member of the paratroopers stationed at Fort Bragg, N. C., recently was

awarded the Bronze Star Medal for his meritorious service while on duty in Viet Nam. His citation reads, in part:

"The Bronze Star Medal was presented to Sfc. Raymond J. York for distinguishing himself by outstanding meritorious service in connection with ground operations against a hostile force in the Republic of Vietnam during the period April 1966 to July 1967. Through his untiring efforts and professional ability he consistently obtained outstanding results. He was quick to grasp the implications of new problems with which he was faced as a result of the ever changing situations inherent in a counter-insurgency operation and to find ways and means to solve those problems. The energetic application of his extensive knowledge has materially contributed to the efforts of the United States mission to the Republic of Vietnam to assist that country in ridding itself of the communist threat to its freedom. His initiative, zeal and devotion to duty have been in the highest tradition of the United States Army and reflect great credit on himself and on the military service."

Sfc. York is the son of Mr. and Mrs. Robert York, formerly of Bethel, now residing in Boothbay Harbor. His wife, the former Peggy Clark, and six children, are with him in Fayetteville, N. C.

SELECTIVE SERVICE REGISTRAR APPOINTED FOR LOCAL AREA

A Selective Service registrar has been appointed for the local area. Mrs. Kathryn Eames, secretary in the Bethel town office, has been named to carry out this function. For several months Bethel has been without a local registrar since Mrs. Margaret Barker has ceased to reside in town.

ONLY ONE CONTEST FOR LOCAL OFFICE SO FAR — HAVE UNTIL FEB. 19 TO FILE

With the resignation of Rodney E. Eames effective March 4, there are three positions on the Bethel Board of Selectmen to be filled at the March town meeting.

Wednesday evening of this week Dana Bean, announced as a candidate for one of the three year terms in contention this year, announced that he would secure nomination papers for Mr. Eames' unexpired two year term instead.

James E. Hutchins and John K. Brown, current incumbents in the dual selectmen-assessor posts, have previously announced that they would seek re-election.

Nomination papers for School Directors for three years have been taken out this week by William Cousins, a member of the faculty at Gould Academy. Theodore Chadbourne has signified that he will seek election to the Board of Directors for the 2-year unexpired term of Rev. Robert Jackson. Mr. Chadbourne received appointment last month by the Bethel Selectmen to serve in this post until town meeting. Mrs. Joan Wiese announced her intentions a week ago of seeking a three year term on the Board.

Mrs. Virginia Brown is contesting for the post of Town Clerk with the incumbent Mrs. Violet Bennett seeking re-election for the one year term.

In the other election office to appear on the ballot, Roderick McMillin is the only known candidate for Fire Ward.

Any others who desire to appear on the March 4 ballot are reminded that nomination petitions must be in the Town Clerk's hands on Feb. 19.

WINTER CARNIVAL TO VISIT OUTER SPACE THIS WEEK END

A "Sno-Time Fun" trip to outer space is just off the front step. That is what the Sno-Sculpture committee of the Greater Bethel Chamber of Commerce is telling everyone in the Bethel area. This trip could be profitable. How do you take the trip? Chairman Cathy Newell says all you have to do is get out the family equipped with snow shovels, scoops, and even Dad's new snow blower, if you want. Pile up the snow (you may use props or frame-work, if necessary). Then, use your imagination and PRESTO, you have a rocket, missile, space vehicle, satellite, Martian, astronaut, or space monster. Color your monster purple if you want. Spray lightly with water and your exhibit is there for all to see. Mrs. Newell, Mrs. Bowhay and Mrs. Terwilliger will judge your sculpture Sunday afternoon, Feb. 18.

EAST BETHEL SCHOOL TO CLOSE IN SPRING

The East Bethel School is one of the few remaining one room school houses in the state of Maine. In June 1968, the school will close and Kindergarten, Grades I, II and III will be transported to other schools.

The school, though some distance from the village, is not a unit by itself, but is part of a larger unit. The elementary principal, Allen Messer, makes regular visits and shows an interest in the welfare of the school. Mrs. Edith Eypper is welcomed every other week and all learn to enjoy and appreciate good music.

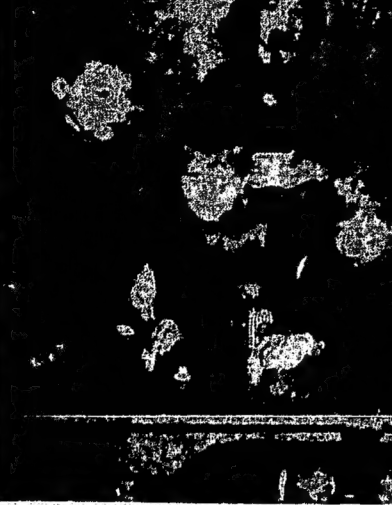

There are arguments for and against this type of school, but the modern trend is to get away from grade lines. This can easily be accomplished in a rural school. Many subjects such as music, health, safety, and science can often be presented to the school as a whole with the upper grades doing more advanced work. Little plays are presented. The school has a very fine science kit with projects that can be carried out by all grades.

One of the interesting science projects that went along with social studies was the planting of cotton seeds brought from Mississippi by a former pupil, Deborah Burnham. These grew and one plant blossomed and produced a cotton ball which is still hanging to the plant. A coconut palm tree was also seen growing

in the schoolroom. This came from Florida. The sprouted coconut had a pretty good start before being picked up on the beach.

The school has very good friends. Among the many are Mrs. Maggie Newton and Mrs. Edith Howe, who have kept the school supplied with hand knit mittens. The room mothers and other parents have always been willing to provide transportation to concerts, health clinics, etc., whenever needed.

GREENWOOD CITY

— Mrs. Collista Morgan, Corres. —

The appearance of several flying squirrels in the trees by the school house has been a most interesting observation to all of us this week. Their "sailing" from tree to tree at a distance we were sure they wouldn't make—but they did—held us motionless for seconds, then a wild cheer from their audience.

Of course Valentines are on everyone's minds for the coming week. Mary Pool's "The Valentine Box" describes it well.

There sits the box on teacher's desk,
All red and white and stunning
Around the sides the arrows go
With little cupids running.
Inside are stuffed the paper hearts,
Where lace and flowers entwined
On tender notes of childhood love—
Oh, be my Valentine!
The girls work hard on all their art,
The boys do theirs and grin
And each one hopes that there are lots
of cards for them within.
There sits the box on teacher's desk,
So big and full and pleasing,
With all the secrets sealed inside—
Beautiful and teasing!

A Valentine greeted me from Vietnam—a lovely doll in native dress. I treasure it but no more than several others in my keeping given years ago by the same "little" boy who was with me nine years in school.

My schoolday valentines I've kept,
Some plain, some trimmed with lace
And every one, within my heart
Has its own special place.

Our party was planned for Friday but we have moved it ahead to the 14th. Reason? Mumps in our "family." There may be a mumpy time for several weeks as very few have had them including Teacher.

Mr. and Mrs. Gerald Stevens have moved to a rent in West Paris where he has work.

Kathy Curtis returned to her classes at Woodstock on Tuesday after a week of illness.

The Leonas Holt family have all been ill with flu this week. Robert Holt, Old Town, called on his folks on Saturday on his way home from a business trip to New Hampshire.

Maureen Millett was ill several days this week.

IN MEMORIAM

In loving memory of our dear mother, Mrs. Anna Coolidge, who passed away February 10, 1967. We'll live in memory, Mother dear.

Of happy thoughts of you,
We'll hear your voice, and see
your face,
In everything we do.

Each thing you've touched along
the way,
Will be a hallowed spot.

The Memory of your helping hand
Will never be forgot.
We've known so much of
happiness,

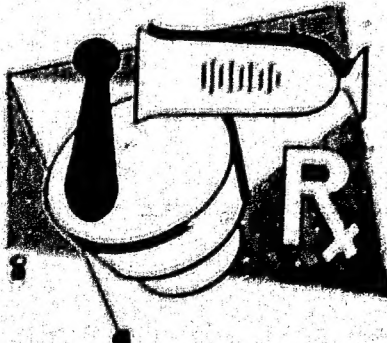

And sorrows we did share,
And now that you have left us,
Mom

It seems so hard to bear,
But Memory's one Gift of God
That death cannot destroy,
And some day we will be with
you,

Our sorrow turned to joy,
We'll want to know each step
you take,
That we may take the same,
For some day down that lovely
road,
You'll hear us call your name,
"Mother Dear".

Annella, Calvin, Robert,
and Constance
